CY19 ROTC Board Demographics for Units

1. AFOSI is a highly competitive, annual, board-driven selection process for interested AFROTC cadet applicants. The 2019 selection board was held 4-8 Nov 19 and selected 16 primary applicants to fill FY20 AFROTC accessions. Available quotas change annually in accordance with Department of Air Force manpower assessed needs.

2. The 2019 selection board was comprised of five distinguished senior Special Agents with extensive U.S. Air Force service and Commander or Superintendent experience. While the below profile expands on particular nuances of the 2019 selection board, each applicant package is considered via a "whole person" concept as its foundation; well-rounded selects are the goal.

3. The 2019 board selected 16 primary candidates and designated five alternate applicants for AFOSI duty. Below is a profile of the 16 primary candidates:

- 3.62 mean grade point average (GPA)
- 6 of 16 Science, Technology, Engineering, and Mathematics (STEM) Majors
- 14 of 16 proficient in at least one foreign language
- 13 of 16 met diversity (e.g. gender, ethnic) measures
- 12 of 16 "Top 3" ranking within AFROTC unit
- 13 of 16 Wing or Group level leadership within AFROTC unit

4. Congratulations again to our 2019 AFROTC cadet selects! We look forward to welcoming you and future outstanding cadets into our small, impactful career field.
