MEMORANDUM FOR INITIAL SKILLS TRAINING ELIMINATED OFFICERS

**FROM: DEPARTMENT OF THE AIR FORCE
HQ AFPC/DP2L
550 C STREET WEST, SUITE 50
ATTN: AFOSI (71S) ASSIGNMENT OFFICER
JBSA RANDOLPH, TX 78150**

SUBJECT: 71S Accession Board Application Guidance for IST Eliminated Officers

1. Air Force Office of Special Investigations (AFOSI) is a highly competitive, board-driven selection process for initial skills training (IST) eliminated applicants. Interested applicants should first seek reclassification approval authority from HQ AFPC/DPSIP. Applicants should select 71S as their #1 AFSC choice and follow provided guidance for application completion. Applications should be submitted soonest following receipt of official "Notification of Retention and Reclassification."
2. IST Eliminated Officers may be informally assessed for 71S suitability prior to a formal AFOSI interview. If continuation is recommended, the officer will undergo an agent suitability investigation (ASI) administered by AFOSI, which is a stand-alone investigation to evaluate an applicant's emotional, physical, and overall suitability for 71S duty. A favorable ASI would result in the officer attending agent training at the U.S. Air Force Special Investigations Academy in Glynco, GA, collocated with the Federal Law Enforcement Training Center (FLETC). The 71S assignments officer would facilitate follow-on assignments after training.
3. IST Eliminated Officers may reach out to local AFOSI units (refer to <http://www.osi.af.mil/> for unit listing) with questions. 71S is a unique duty; officers should commit themselves to make an informed decision about applying to AFOSI. Non-approved officers are referred to HQ AFPC Military Accessions Branch for reclassification into an alternate career field or service separation.
4. AFOSI's decision to onboard an IST Eliminated Officer is independent of the AFPC-led retention and reclassification process. HQ AFPC will notify applicants of retention and reclassification results.
5. For additional information or questions about the IST Elimination application process for 71S duty, visit <http://www.osi.af.mil/>, email AFOSI.Accession.applications@us.af.mil, or call 210.565.4457 (DSN 665.)
